GLADIOLUS NIAGARA

"NIAGARA"

In type the variety resembles "America," but the flowers appear to be somewhat larger, measuring $4\frac{1}{2}$ inches across. In color the flowers are a delightful cream shade with the two lower inside petals or segments blending to canary yellow. The throat is splashed with carmine, and the lower ends of the outside petals are also blushed with carmine. The stamens are purple and the stigmas pale carmine, this little addition in the coloring relieving the creamy effect of the petals. The flower spike is very erect and stout and is wrapped with broad, dark green foliage. The variety is evidently destined to lead in the cream colored varieties, in fact it would seem to be in a class all by itself.

Awards

1911—Certificates of Merit from Mass. Hort. Society Boston, and Dutch Bulb Society at Haarlem, Holland.

1912—American Gladiolus Society, open class award for finest yellow. \$3.00 per doz.; \$20.00 per 100.

"PANAMA"

A new seedling of America which resembles the parent variety in every way except that it is a much deeper pink. A grand variety which evokes words of praise wherever exhibited. Spike very long with flowers large and well arranged.

Awards

1911—Certificate of Merit from New York City Florists' Club, also Newport, R. I., and Toronto, Canada.

1912—Certificates of Merit from the Dutch Bulb Society of Haarlem, Holland, Award for best pink in open class from American Gladiolus Society at Chicago. Special Michell Bronze Medal for finest pink, A. G. S., Chicago.

Silver Medal from Royal Horticultural Society, London, for finest pink, August 13th.

Also Certificate of Merit from National Gladiolus Society, London, August 13th.

\$6.00 per Dozen.

\$40.00 per 100.

SIX

OF THE BEST

GLADIOLI IN THE WORLD

Wonderful in Color and Substance.

"AMERICA"

This is conceded to be the most beautiful and valuable variety in the world. **Color:** Beautiful flesh pink tinged with lavender. A certificate of merit has been awarded wherever exhibited.

By far the most vigorous and easily grown Gladiolus known. Strong and healthy, with luxuriant dark green foliage and a freedom of growth and flowering surpassing all others. It is THE florists variety of to-day.

Flowers. Spikes two to three feet long, erect with a great number of large spreading blossoms, all facing one way and showing a color the delicacy and beauty of which it is impossible to describe or produce. It is an exquisite soft lavender pink, very light, almost a tinted white; the color is the same as seen in the most exquisite Cattleya Orchids. No color like it in any other Gladiolus; none half so beautiful. For florists use and for bedding it is without a rival.

\$.40 \$ 2.50 \$ 20.00

"BLANCHE"

A sterling white variety having but faint marks. The flower is VERY LARGE and while not new we consider it one of the most valuable, and we continue to hear highest words of praise for it

2.00 15.00 125.00

"PRINCEPS"

Rich crimson with very deep shadings in throat, and magnificent large white blotches on lower petals. Flowers as large and fine as an Amaryllis and probably the most magnificent sort as to size and beauty. Blooms for a long time. Like America, we have the largest stock of this in the world

75 5.00 45.00

"SCRIBE"

A beautiful, large, wide open flower and an enormous spike. Color like the fine old Eugene Scribe, tinted white, freely striped carmine. A very attractive sort.

THE FOLLOWING GLADIOLI ARE SOME OF THE BEST INTRODUCTIONS OF VARIOUS GROWERS

Mrs. F. Pendleton

CHARLEMAGNE

Very large, open flowers on massive spikes; color sunrise-red, flaked darker, marked. \$4.00 per dozen. \$30.00 per 100.

FLORENCE

A very large flowering variety with wide open flowers. Color a very distinct bright lilac, with a large white center. No other Gladiolus like it. \$3.50 per dozen. \$25.00 per 100.

HYDE PARK (New)

A new hybrid of the Gandensis type, a cross between May and the old favorite Shakespeare. The flowers have the same fine open shape and large size as Shakespeare, with the same exquisite coloring in the three upper petals—a frosty, sparkling white, penciled and feathered with light and dark rose—but the lower petals are much more distinctly blotched with cream, which is an added charm. The foliage is clean and healthy, remaining deep green until frost. It is a very early bloomer, making it of special value in the cut flower market, as it comes in at a time when there is very little competition from other varieties; an ideal Gladiolus for Florists use. \$1.50 per dozen. \$12.00 per 100.

MRS. FRANK PENDLETON

Awarded Certificates of Merit by the Massachusetts Horticultural Society at Boston, August 1909, and American Gladiolus Society at Baltimore, August 1911. The flowers are very large and well expanded, of a lovely flushed salmon-pink with brilliant carmine, or deep blood red blotches in the throat, presenting a vivid contrast of orchid-like attractiveness. It is of the Lemoinei type in form, and color effect, and Mr. Kunderd, the originator, seems to have given it a gandensis stem so that it takes up water freely and opens up perfectly nearly every flower after being cut and placed in water. \$6.00 per dozen. \$40.00 per 100.

MYRTLE

Tender and delicate rose pink. The most beautiful pink yet produced in a Gladiolus. Awarded a silver medal by the Massachusetts Horticultural Society. \$7.00 per dozen. \$50.00 per 100.

NEGERFURST

Very dark blood black, with velvety black spots, inflamed with white and flaked lilac-rose. A very odd, beautiful color, long graceful spike and robust free habit. Best of the dark varieties. \$5.00 per dozen. \$35.00 per 100.

PEACE

Flowers are large, of good form, correctly placed on a heavy straight spike. Beautiful white, with pale lilac feathering on inferior petals. \$2.00 per dozen. \$15.00 per 100.

REINE BLANCHE

Very strong grower, one bulb often producing 2 or 3 flower stems. Long spike; flowers of middle size. With the exception of a very small purple streak at the bottom of the throat, the flower is of a perfectly pure white color, turning into fleshy white towards the end of the flowering stage. It is decidedly one of the best white Gladioli. We beg to draw the attention of our customers to the merits of this very valuable variety, which obtained last year the greatest success. It is sure to become the leading white variety of the Gandensis class. \$1.50 per dozen. \$12.00 per 100.

SILVRETTA

Creamy white, with carmine blotches on lower petals, spike strong and tall. Blooms later than most sorts. \$3.50 per dozen. \$25.00 per 100.

SAFRANO.

PRINCEFS.

Gladioli in Mixture.

We build our mixtures to order, as we believe this is the only way a true mixture can be kept up to standard. We know perfectly well that mixtures can be bought at almost any price, but after testing most mixtures on the market we have come to the conclusion that our customers want and should have something better than the average. So we build our mixtures from named varieties and seedlings of merit.

Regarding our mixtures under color, we are most careful to have them absolutely true and pure, in fact, as well as in name; and they are mixed with great care from named sorts.

OUR GUARANTY

We are so very anxious to give our customers satisfaction, and we are so very sure that we have satisfactory goods, that we stand ready to "make good" by replacing anything that does not turn out as represented, from any fault of ours.

OUR PRICES

We plan our prices to cover cost of production and cost of handling and selling which items have advanced considerably during the past five years in keeping with all other products.

In view of this we have been obliged to advance prices in some cases from time to time. We never lower the standard of bulbs, not even to meet competition.

NEW BOOK—"THE GLADIOLUS."

Written by the well-known Gladiolus experts, Matthew Crawford and Dr. W. Van Fleet, this 120-page book contains many valuable chapters covering all phases of growing, propagating, storing, etc., together with some pages of helpful cultural notes gathered from other reliable sources. \$1.25 postpaid.

Alaska

Blanche

GLADIOLUS CHILDSI

Tall and erect standing four and five feet high, with spikes of bloom over two feet length. The flowers are of great size. The form of both flowers and spike is perfection itself, and they last in bloom a long time before fading, owing to their great substance and vigor, but the most remarkable feature is the coloring. Orchids cannot surpass them in their varied and delicate shades, markings and blendings. Every color known among Gladiolus is represented, and many never before seen, particularly blues, smoky grays and purple blacks, all having beautiful mottled throats, made up of white, crimson, pink, yellow, etc., and in this peculiar network of charming spots and colors lies one of its special points of unsurpassed beauty. They outrank all other Gladioli in size of spike, size of bloom, vigor, varied and magnificent coloring and freedom of bloom.

LYCORIS SQUAMIGERA

OR

AMARYLLIS HALLII

A perfectly hardy Amaryllis producing beautiful pink flowers.

Description—*Lycoris Squamigera* produces in early spring attractive green foliage which grows until July when it ripens off and disappears, and one not familiar with its habits would think the bulb had died, but about a month later as if by magic the flower stalks spring from the ground to a height of two or three feet, developing an umbel of large and beautiful lily-shaped flowers 3 to 4 inches across and from 8 to 12 in number, of a delicate lilac pink shaded with clear blue.

Culture—As the bulb is perfectly hardy without any protection it can be planted either in the Fall or Spring but we consider Fall the best time as the bulbs will have a chance to get established before flowering time. Cover the crown about 4 inches.

Very useful for the border or among shrubbery.

Price for strong blooming bulbs \$1.00 per doz. \$7.00 per 100. \$65.00 per 1000.

Lycoris Squamigera (Magic Flower)

ROW OF HELIANTI IN BLOOM—AND TUBERS.

HELIANTI---a Most Showy and Useful Vegetable.

White-Tubered Variety.

This new hybrid plant is of the Sunflower and Artichoke family, producing showy golden yellow flowers like Cosmos blossoms in endless profusion and immense quantities of fleshy tubers, somewhat after the style of Sweet Potatoes. It stands both heat and cold and will thrive anywhere in any soil or climate, and as a flower is very showy in any position.

New Pink-Tubered Variety.

We grew this last season for the first time and find it in every way superior to the other sort. Flowers larger and finer, in dense masses fully as showy as Rudbeckia Golden Glow. It begins to bloom just one month earlier than the White-tubered. Roots short, thick and rounded at the end, plump, crisp and sweet. One of the finest vegetables and most showy flowers of our garden. Fine tubers.

30c. per dozen ; \$2.00 per 100 ; \$18.00 per 1000.

EUCOMIS PUNCTATA

This plant is a native of the Cape of Good Hope, and is nearly hardy in New York. It is most useful for decorative purposes as a pot plant. The accompanying illustration gives a good idea of its effectiveness, and there are few plants more useful or that will attract wider attention. Easily grown and a good bloomer. May be treated in all respects like an Amaryllis. \$3.00 per doz. \$20.00 per 100.

Hyacinthus Candicans

The Great Ismene

Doz. 100 1000

[Ismene Calathena Grandiflora]

Those who are familiar with the true Giant Ismene cannot say enough in praise of its beauty and purity. The flowers are of a very large size, like an Amaryllis, novel form and of snowy whiteness, and are also exceedingly fragrant. It is really one of the most lovely of all the great Amaryllis tribe, having a peculiar grandeur which one can appreciate at sight, but cannot describe. Bulbs are large and strong and begin to flower in two or three weeks after planting, sending up tall flower stems, which bear several of its magnificent blossoms. 75 5 00 45 00

CANNA, FIREBIRD.

A Clear Glistening Scarlet.
*Even Better Than King Humbert
But With Green Foliage.*

This is by all means the very
best red-flowered, green-leaved
Canna to-day.

The flowers are borne in im-
mense trusses, on tall stalks well
above the leaves. They are of
splendid form, round and shapely.
The petals measure $2\frac{1}{2}$ inches
and over across, and the color is a
clear glistening scarlet without
any streaks, spots or blotches.

Green plants ready April 15, 1914,
\$1.25 each.

The Best Cannas

The following are among the very
best improved flowering Cannas, and
will give great satisfaction.

Price, except ☆ varieties 50c. per
dozen; \$3.00 per 100;
\$25.00 per 1000.

New Canna, Firebird.

The best red-flowered green-leaved Canna.

- Alphonse Bouvier**—Dark crimson flower; green foliage. 5 feet.
- Allemania**—Ground color yellow, heavily blotched and overlaid with blood-orange; green foliage. 6 feet.
- Austria**—Golden yellow, dotted red; green foliage. 6 feet.
- Black Prince**—(Green-leaved). A tall growing sort, with fine showy flowers of crimson-scarlet, overlaid maroon. 5 feet.
- Brandywine**—Bronze-leaved; crimson; $4\frac{1}{2}$ feet.
- Chanelson**—Flowers change color: they open a rich orange striped with red, then turn to yellow and rose-pink. 5 feet.
- Chas. Henderson**—Bright crimson; green foliage. 4 feet.
- Crimson Bedder**—Intense scarlet; green foliage. 3 feet.
- Chautauqua**—Intense scarlet blossoms of great size, and dark colored foliage. $3\frac{1}{2}$ feet.
- Compte De Bouchard**—Golden yellow flowers spotted red; green foliage. $3\frac{1}{2}$ feet.
- David Harum**—Bright vermilion-scarlet mottled with deep red. Bronze foliage. 3 feet.
- Dr. Nansen**—The real best dwarf yellow there is. A constant and abundant bloomer. $2\frac{1}{2}$ feet.
- Egandale**—A fine, bronze-leaved variety; pretty cherry-red flowers, borne well above the foliage; handsome. 4 feet.
- ☆ **Express**—Scarlet-crimson, a shade lighter than Philadelphia; foliage green. $2\frac{1}{2}$ feet. 60c. per dozen; \$4.00 per 100; \$35.00 per 1000.
- E. Steinkoff**—The earliest flowered variety, in the Crozy type, rich crimson-scarlet heavily dotted with vermilion. Foliage purplish bronze. 5 feet.
- Florida**—Scarlet, with golden band. $2\frac{1}{2}$ feet.
- Florence Vaughan**— $2\frac{1}{2}$ feet. Rich golden yellow, thickly spotted with bright red.
- Flamingo**—Color intense and clear crimson; flowers are of large size and borne on immense trusses in great profusion.
- ☆ **Frau Maria Nagel**—3 feet. Loosely formed flowers of a creamy white fading to pure white. Green foliage. \$1.50 per dozen; \$10.00 per 100.
- Gladiator**—(Green-leaved). A very showy bedding Canna of medium height, with large flowers of brassy yellow thinly speckled in dull red. The long center petals and lower petal are solid dark red, making a most striking contrast to the predominating yellow. 3 feet.
- ☆ **Gladioliflora**—Remarkable on account of the unusual shape of its flowers, which look like a Gladiolus; color crimson, changing to carmine-rose, with an irregular edge of gold. $3\frac{1}{2}$ feet. 90c. per dozen; \$6.00 per 100; \$50.00 per 1000.
- ☆ **Gustav Gumpfer**—The finest yellow bedding Canna; flowers of good size are held well above the foliage, the fine trusses always clean looking; in habit of growth very uniform; color a rich golden yellow shade that has been missing heretofore and which can be seen as far as the eye will carry. $3\frac{1}{2}$ to 4 feet. \$1.00 per dozen; \$7.00 per 100; \$60.00 per 1000.
- ☆ **Hungaria**—The ideal pink bedder, flowers large, in good trusses, color not unlike that of the Paul Neyron Rose; one of the best of the newer introductions. 3 to $3\frac{1}{2}$ feet. \$1.50 per dozen; \$12.00 per 100.
- ☆ **Hon. B. F. Howell**—Extra fine bronze foliage, flowers yellow ground, blotched with orange, shading to solid orange at the edges. 60c. per dozen; \$4.00 per 100; \$35.00 per 1000.
- Indiana**—(Green-leaved). One of the gorgeous "Orchid-flowered" class. Soft orange, lightened by flecks of gold, pencilled and slightly margined with deep rose. 6 feet.
- ☆ **Improved Black Beauty**—The bronze foliage is almost as fine as the original Black Beauty. Flowers are large and a brilliant red. 5 feet. 90c. per dozen; \$6.00 per 100; \$50.00 per 1000.
- ☆ **Jupiter**—Furnished right down to the base with an abundance of deep purple foliage, some leaves 1 foot wide and 3 feet long; rich red flowers. 50c. per doz.; \$3.50 per 100; \$30.00 per 1000.
- ☆ **King Humbert**—In this grand new Italian Canna we have a combination of the highest type of flower with the finest bronze foliage. Its flowers which under ordinary cultivation will measure 6 in diameter, and which are produced in heavy trusses of gigantic size, are of a brilliant orange-scarlet, with bright red markings, while the foliage is broad and massive and of a rich coppery bronze with brownish green markings. Bold and effective. Makes a gorgeous effect when planted in mass. 5 feet. 75c. per dozen; \$5.00 per 100; \$45.00 per 1000.

CANNAS. Continued.

- Louisiana**—Soft, glowing scarlet, with orange throat markings. Darker than Pennsylvania. 6 feet.
- Mad. Crozy**—3½ feet. Vermilion with gold border. The sort which popularized the Canna.
- Musafolia**—This is the finest foliage Canna yet seen, with enormous Musa-like leaves, 3x5 feet high of a dark green, bronze-tinged color, the edge of the leaves being beautifully banded with bronze-purple. In size and beauty of foliage it is a revelation, and makes a clump or single specimen plant for the lawn which no other foliage plant can approach. Attains a height of 8 feet, beautiful and symmetrical at every stage of growth.
- ☆ **Meteor**—A vigorous grower with healthy foliage. Each root usually produces five or six trusses of bloom, which continue flowering the entire summer. Color, pleasing deep crimson. 5 feet. \$1.50 per dozen; \$12.00 per 100.
- ☆ **Mrs. Geo. A. Strohlein**—Flowers of amaranth-red; large bronze foliage. 6 feet. 50c. per doz.; \$3.50 per 100; \$30.00 per 1000.
- Mile. Berat**—Color a unique shade of soft rosy carmine of deep pink.
- ☆ **Mrs. Alfred F. Conard**—An entirely new note in Cannas was struck with the introduction in 1910 of this variety. Its exquisite salmon-pink flowers are of largest size, in erect and abundantly furnished heads, so freely produced as to keep a superb showing for months above the rich green foliage. \$1.50 per dozen; \$12.00 per 100; \$100.00 per 1000.
- Niagara**—We consider Niagara the best of the low-growing variegated Cannas. Great, handsome trusses; broad, thick, durable petals; color rich deep crimson with a wide irregular border of deep golden-yellow. An excellent grower. Green foliage. 3 feet.
- President Meyer**—Handsome bronze and sepia foliage; flowers large, in wide trusses, cherry-carmine. 6 feet.
- Pennsylvania**—Lustrous, wavy petals of great size; the richest shades of orange and scarlet are exquisitely blended. 6 ft.
- ☆ **Professor Hanfstangle**—Blooms of exceptional size, borne in very large and branching trusses; petals almost as broad as long. Color a unique shade of deep rose, which shades to lighter color at the base of the flowers. 5 feet. 90c. per dozen; \$6.00 per 100; \$50.00 per 1000.
- Pillar of Fire**—The giant of its class; flowers bright crimson-scarlet, borne in erect spikes like blazing torches; continuous bloomer. 6 feet.
- ☆ **Pres. Cleveland**—Large flowers of a rich, bright orange-scarlet. 3 feet. 50c. per dozen; \$3.50 per 100; \$30.00 per 1000.
- Queen Charlotte**—Bright scarlet, wide gold border. 4 feet.
- ☆ **Rosea Gigantea**—A rich rose-pink flower of giant size and a prodigious bloomer. Color is soft rose to carmine-pink, while its great flower heads are a wondrous size. It has received the highest award accorded any Canna. (The Award of Merit from the Horticultural Society of England.) 4 feet. \$1.50 per dozen; \$12.00 per 100; \$100.00 per 1000.
- R. Wallace**—A new Canna, the largest and finest pure yellow grown. Enormous and color fine. 4 feet.
- Robusta**—Height 6 to 8 feet, immense foliage.
- Rosemawr**—Pink with throat of gold. 3 feet.
- Shadadoah**—A splendid bronze-leaved variety; has large salmon flowers.
- ☆ **Stadrath Heidenrich**—Bronze foliage with green markings. Color almost a pure scarlet. 5 feet. 60c. per dozen; \$4.00 per 100; \$35.00 per 1000.
- Souv. De Mad Nardy**—Green foliage, large round flowers with yellow coloring entirely spotted with large black spots. 4 feet.
- Souv. De A. Crozy**—Crimson with gold band. 4 feet.
- Stadgartner Brenneman**—One of the most striking varieties in the set. Enormous four-petaled blooms. Trusses very large and much branched. Color a superb shade of deep orange, bordering on light scarlet.
- ☆ **Venus**—The color is a gray, rosy pink with a mottled border of creamy yellow. It blossoms splendidly with heads erect and flowers bright, because the old ones drop off as fast as the new ones come. Green foliage. 4 feet. 50c. per doz.; \$3.50 per 100; \$30.00 per 1000.
- ☆ **Wawa**—Soft, delicate pink, remarkably free-flowering. Green foliage. 4 feet. 50c. per doz.; \$3.50 per 100; \$30.00 per 1000.
- Wm. Bofinger**—Bright and richest scarlet. 5 feet.
- Wyoming**—Giant-Flowering Purple Foliage Canna. This is one of the most majestic Cannas. Blossoms orange colored, true orchid-shaped with large rounded petals that flap and flutter in the breeze like glistening flags. Height, 7 feet.

EMERALD VINE--New and Fine.

(*Dioscorea Fargessi.*)

THE MOST GRACEFUL AND BEAUTIFUL BULBOUS VINE IN CULTIVATION.

A SPECIAL LOW PRICE TO INTRODUCE IT.

This beautiful new vine belongs to the same family as the well known Cinnamon Vine, but is entirely different and much finer. The vines are of slender growth and very graceful, and produced in dense masses. Foliage of good size and forked or divided, of a deep, emerald green with a decided lustre or sheen rarely seen on any foliage. Tubers

round and solid like a Gladiolus bulb, therefore, most convenient to handle. Flowers in drooping racemes and so numerous as to be a very distinct and attractive feature of the vine. Small bulblets are formed at the axils of the leaves as in the case of the Cinnamon Vine. All in all it may be called the most useful and attractive Bulbous vine.

LARGE BULBS—30c. per doz.; \$2.00 per 100; \$18.00 per 1000.

SMALL BULBS OR BULBLETS—15c. per dozen; \$1.00 per 100; \$9.00 per 1000.
